Told through George Salton's testimony and brought to life with vivid animation sequences, "In My Father's Words" also follows his daughter, Anna Salton Eisen, as she works to preserve her father's story and bear witness to his experiences. Through archival research, she discovers the children of Salton's fellow prisoners, leading to emotional reunions and a deeper connection to her father's past. Together, their stories reflect the enduring responsibility to remember the Holocaust and to ensure that such tragedies are never forgotten.

"THE COMBINATION OF TESTIMONY, FOOTAGE AND ANIMATION IS THE BEST I'VE SEEN OVER THE PAST TWO DECADES"

"THE SIGHT OF GEORGE SALTON WALKING AROUND THE FORMER CAMP GROUNDS SHOWS HIS VIVID MEMORIES OF THE PAST"

"POETIC AND POWERFUL"
